Smart in appearance these plastic cases are easy to clean and will look neat in any professional and home environment.	Built to resist dust and water, these securely sealed plastic cases are designed to cope with unpredictable weather conditions.	Our tough metal cabinets are constructed with heavy-duty full-length metal hinges and quality clasps to keep them securely fastened.	These versatile softpack bags conform to fit in irregular storage spaces while protecting their contents.	Rugged cases are made from hard durable plastics with strong hinges and clasps to sustain wear and tear prone to any environment.	This tacklebox style case features compartments & cantilever trays for a well organised layout. Ideal for convenient & quick access to products.
