

ATHLETES GEL AMBASSADORS

Wade
CARMICHAEL

WSL Tour Pro. World No.5

"I have been using the Athletes Gel, for a nagging hip injury. I took it to Hawaii last year and used it during my defense of the Hawaii Open which I won in 2015. I have to say it works amazing. I'm still using it when I need to during my tour comps."

Lachlan
TAME

Rio Bronze medallist K-2

"I got introduced to the Athletes Gel when I got back from Rio. I had strained my hamstring really badly and after applying the gel for 2 days, it was fully recovered. I was so impressed with it, I have started using it during training, competing and when I finish a session."

Tanoai
REED

USA Stuntman and Actor

"As a fulltime stuntman for my cousin Dwayne 'The Rock' Johnson and actor myself, my work out routines are painful as is my job sometimes. I got onto this product a little while ago and man, this Athletes Gel product is strong and it works! Nothing like it here in the States."

Eddie Strongman
WILLIAMS

Arnold Pro Winner- Australian Strongman

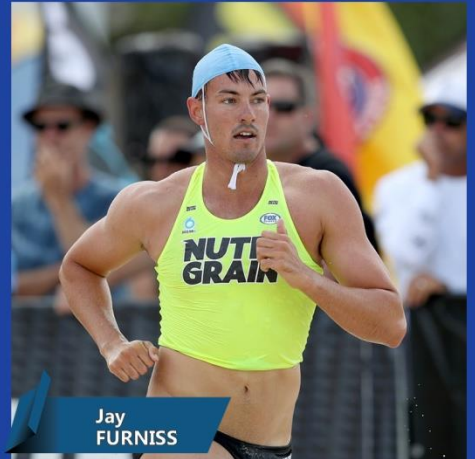

"After using Athletes Gel I have to say it is definitely the strongest natural pain and anti-inflammatory product I have used. I am so onboard with this that I will be taking it to the strongmen of the world."

Susan
SEIPEL

World ParaCanoe Champion- Rio Bronze

"I really noticed the difference in my shoulders after applying Athletes Gel. The recovery post training is excellent. Apply before training or competing for better results."

Jay
FURNISS

Nutrigrain Ironman Series

"Athletes Gel is the real deal. I used it during the recent Australian Championships for a nagging injury and it worked fantastic."

Lopeti
TIMANI

Australian Rugby

"Me and some of the boys have been using Athletes Gel and we really like it. I use it at training as well."

Christine
WEARNE

Australian 100m

"Using Athletes Gel is keeping me injury free. I have noticed a significant difference in my hamstrings. I was quite surprised! They had been playing up for a long time and I now feel I'm finally starting to run without restriction."

John
COOLEY

Australian 49er Olympic Class

"What a great product. It gets pretty cold out there sometimes and Athletes Gel really helps to keep my joints limber and warm. The fact that it's waterproof is a huge bonus."

ATHLETES GEL AMBASSADORS

Matt FECHNER

Physiotherapist- Inspire

"So far, the journey with Athletes Gel has been a very positive one. I look forward to using this product as an adjunct to my treatment of musculoskeletal injuries and to assist my many athletic clients to recover better following their sport and injuries."

Dr. Laura PEARCE

Back Into Osteopathy Dir. - Triathlete

"As an Osteopath and Triathlete, I am focused on holistic practices for myself and my patients. I first tried Athletes Gel mid 2017 when it was being developed and even then I knew this was going to be brilliant. Now it's here and I'm still using it in my practice and my sport"

Lino HOLA

EMF Gym Manager & Personal Trainer

"I'm glad I tried the gel, I've been having pain in my elbow for a while and nothing seemed to work. I put the athletes gel on and it's made a huge difference almost straight away. My PT clients are loving it and to be honest the vast majority keep coming back for more"
